

THEO

week one
9.14.2011

intro: God is HUGE! He really is! As much as we talk about God and read our Bibles, sometimes we don't actually spend a lot of time thinking about God or getting to know Him. The word *theo* in latin literally means God, so the focus of our series is actually God. We will spend each week getting to know Him, His characteristics, attributes and His role in our lives.

week one: God, the basics (He's big!)

scripture:

•Genesis 1

•Job 38-39

•I Kings 18-19

•Psalm 90:2

•Psalm 147:4

discussion

1. Spend some time again this week, checking in with students, having them introduce themselves to each other, etc. The "get to know you questions" will be in your binders on a separate page.

2. What do you know about God? How would you describe God to someone who had never heard about God before? What do you see in your mind when you think about God? (clouds, an old man, Jesus, etc.)

3. Why do you think it would be good for us to get to know God? What would be the best way for us to get to know God?

4. God is HUGE, POWERFUL and AWESOME!! How would you describe God's power to someone?

5. When you think about how BIG and AWESOME God is what is your first response?
Are you afraid of God? Are you more curious about God?

6. How do you think God's BIGNESS and AWESOME-NESS can affect your daily life?
Does it? Should it?

This week, as you head into each day... think about God... how HUGE and AMAZING
HE is... Think about God every day and let how amazing God is affect your life!
