

Week Six

November 10

INTRO

A lot of our students have grown up in the church and heard teachers and leaders talk about God, the Bible, Jesus and have heard words like salvation, crucifixion, or grace. We are gonna be going back over some of these topics and ideas and making sure that students understand them.

The first week we talked about God, and His characteristics. The second week we are going to look at what the Bible is. The third week it was sin and the fourth and fifth week we talked about salvation... We are going to keep talking about the Holy Spirit tonight...
